VI. Reports

(b) STANDING COMMITTEES AND BOARDS

REPORT OF COMMITTEE ON EDUCATION

For years it has been the custom of this Committee to embody in its report a summary of the reports of the heads of the several institutions under the care of the Conference together with the recommendations and requests coming from them. This year it was decided to make their full reports a part of this report. We, therefore, ask that the reports presented by Chancellor Harper, President Cutshall and Dr. Hollenback be made an integral part of this report.

THE ANNUAL REPORT OF THE CHANCELLOR TO THE COLORADO CONFERENCE

*To the Members of the Colorado Conference
of the Methodist Episcopal Church
Brethren:*

I have the honor of presenting to you my annual report concerning the work of the University during the academic year 1925-26.

I. Attendance—

The enrollment for the academic year 1925-26 was 3,578. The following is an analysis of the enrollment for the year by schools:

Graduate	73
College of Liberal Arts.....	1,089
Chemical Engineering }	141
Electrical Engineering }	61
Pharmacy	852
Summer School	675
Extension College	110
Law	179
Dentistry	787
Commerce	
Total	3,967
Less Double Counts.....	389
Net Total	3,578

II. Special Activities—

The chapel services of the University, conducted as they are, are unquestionably one of the most valuable contributions which the University offers to the enrichment of the interests and thinking of its students. During the year just ended many special speakers of national and international reputation have been brought before our students. Among them are: Professor Shirley J. Case of Chicago University; James Myers, Industrial Secretary of the Federal Council of Churches of Christ in America; Laura Puffer Morgan of the National Council for the Prevention of War; Edith Hale Swift; Raymond Fosdick; Burris Jenkins; Judge George of the Municipal Court of Chicago; Albert Mansbridge, founder of the Workers' Education of Great Britain; President Thompson of Ohio State University; Dr. W. L. Northridge of Belfast, Ireland; Dr. Harold Loring, who spoke on the music of the American Indian; G. F. Robinson of Esthonia; Dr. E. E. Tuck of India; as well as many of our outstanding local leaders. The Week of Prayer was observed in the usual manner from February 15 to 19. We are greatly indebted to Dr. Wilson G. Cole for the series of sermons which he delivered and which were of an unusually high grade of excellence. The organ and orchestra have again been of the greatest assistance to the Chapel Committee in the arrangement of quite extraordinary musical programs, as well as in the regular semi-weekly assemblies. Under Dr. Hyslop's able and untiring leadership a number of exceptionally fine concerts were given during the chapel period. Mr. Clarence Reynolds, the municipal organist, was so generous as to give us an hour's organ recital one morning.

Both the Y. M. C. A. and Y. W. C. A. are in every sense of the word aggressive and constructive religious forces on our campus. Under the leadership of Miss Esther Brown as the Y. W. C. A. secretary, and Mr. Gordon K. Chalmers, the Y. M. C. A. secretary, these organizations have increased in power and prestige.

The new stadium has been a great stimulus to the athletic activities during this year. More students have participated in the various athletic activities than ever before in the history of the University. Beside being a decided stimulus in athletics, it is becoming increasingly clear that the stadium is a community asset as well as an advantage to the University itself.

III. Development Program—

Immediately following the close of our campaign in the city of Denver last spring, in which we raised \$921,286.75 of our total objective, we began quietly the work of securing the remaining \$80,000 necessary to reach our \$1,000,000 goal. I am glad to be able to report that several substantial gifts have been secured toward this first million, and that these, together with some gifts made for special purposes, total more than \$80,000. Senator Lawrence C. Phipps has subscribed \$10,000, and Colonel A. E. Humphreys has made an additional subscription of \$5,000. Mr. Wilbur F. Denious has very generously made a new gift of \$5,000 to establish a scholarship fund in memory of his deceased wife, Edith Boughton Denious, who was an alumna of the University. This is the most valuable scholarship the University now has. Mr. Denious has made this gift conditional upon our securing four other gifts of the same amount for the same purpose.

Mr. Arthur Schwartz, a night-watchman who died recently, in his will made the University his beneficiary for the purpose of establishing a scholarship to help needy boys. The University will receive about \$3,000 from this bequest.

The Laura Spelman Rockefeller Memorial last November appropriated to the University a sum not to exceed \$37,500 toward the support of the Bureau of Statistical Research of the School of Commerce. Part of this appropriation is conditioned upon our raising certain additional funds for this same work.

The National Research Council, through its Division of Medical Science, has granted to the University of Denver \$1,500 for the fiscal year beginning July 1, 1926. Under the terms of the grant this sum is to be used to carry on a research study of the female sex hormone obtained from the ovarian follicle, the corpus luteum and the placenta, under the direction of Doctors R. G. Gustavson and R. T. Frank.

Mr. J. H. Causey has made a new gift of \$30,000 to the University for the purpose of beginning this fall the work of the Foundation for the Advancement of the Social Sciences. He has made this fine gift so that the income from the Foster Building need not be used for this purpose during the next three years. He has also relinquished absolutely the annuity of \$9,000 which, as provided in his original gift to the University, would have begun January 1, 1929. These two splendid gifts are made because of Mr. Causey's great interest in the Foundation he has established, and because of his desire to see its work begun at once. Mr. B. M. Cherrington of the Y. M. C. A. National Council, Student Secretary for the Rocky Mountain region, has been engaged to begin this work this fall.

The Colorado Conference Campaign, which was inaugurated by authority of the Conference, has proved a great disappointment. Although the campaign was handled, in my judgment, with great skill by Mr. H. D. Cross of the Lyman Pierce Organization, yet the results throughout the state were very unsatisfactory, the total cost of the campaign having been over \$35,000, while the total subscriptions were only about \$65,000. Over \$100,000 had been subscribed last May by members of the Methodist churches in Denver to the endowment and building fund of the University, upon which payments are being made. After mature deliberation it was decided to postpone for a time all effort in the Denver churches; and all of them, by action of their respective official boards, agreed to participate in such a campaign at a later date.

Respectfully submitted,

HEBER HARPER, Chancellor.

September 1, 1926.

REPORT OF PRESIDENT CUTSHALL TO THE COLORADO ANNUAL CONFERENCE, SEPTEMBER, 1926

The annual report of the present administration should not be lengthy.

The general administrative policy of the year now closing has been that of studying carefully the program, personnel, curriculum and interests of the school, the problems and opportunities of the total situation, of giving every possible co-operation to the Colorado Conference Campaign for Denver University, the Iliff School of Theology and the Wesley Foundation, which was ordered and essentially set up before my tenure of office began, information of which came to me by telegram from the President of our Board while I was in West Virginia, and extensive field work of both a general and particular nature. Something over one hundred and fifty field speaking engagements have been kept.

The splendid co-operation of Faculty and students has made possible the registering of certain forward tendencies in school decorum and academic standards. These forward tendencies are rooted not alone in the policies of the administration but also in the normal demands for progress which characterize theological training today in general and that of our institution in particular.

The Alumni have been found loyal and successful and deeply interested in the welfare of the school. The friendliness of the Methodism of Colorado and adjacent territory is indicated in the more than two hundred calls that have come during the past ten months to speak in Annual Conferences, Epworth League Institutes and Assemblies, Churches, Brotherhoods, Religious Education Associations, Colleges, High Schools, etc.

The stimulus of the class room has been gratifying. An administrative officer in an institution of the size and character of Iliff may well do some teaching. This experience is in itself a mental tonic and one way of intimately understanding academic problems.

Professor Carlyon makes the following report on library :

1. Salary of Librarian Assistants.....	\$365.86
2. New Books Purchased.....	50.59
3. Periodicals	58.60
4. Supplies	37.90
Totals	\$512.95
Gift Books Received.....	684
New Books	22
Total	706

Professor Longacre presents the following report on student attendance, both for the regular year and for the Summer School :

Regular Students	29
Special Students	32
Religious Education	3
Summer School	54
Total	118

Professor Morton has done very acceptable work during the year and the school has found in him a strong teacher, a helpful personality, and a man who fits into the total academic program with the spirit of splendid co-operation. As the one in charge of visiting speakers for the administration he has stimulated very materially the Chapel program.

Professor Behner reports a good year in the dormitories. Gray Gables had five regular roomers during the first semester and six during the second. The property at 2168 South Milwaukee Street has been rented to married students and their wives. The lower floor of Gray Gables has been used for dining room and social purposes. As the demand for rooms for single students increases, Gray Gables should be turned more and more over to dormitory purposes alone.

The Faculty as a whole has constituted a Curriculum Committee and under the direction of the administration has made prolonged study of the School's curriculum and academic standards. Some important changes registered in the 1926 catalogue have been made and are as follows:

1. One year of College is required of all who study for diploma credit, whereas, previously the requirement was a High School certificate.

2. Slight reduction of work required for graduation in Systematic Theology and Old Testament and a small increase in Homiletics and Church Organization. There was practically no change in the New Testament requirement and in Church History. The Department of Philosophy of Religion has been started. Two courses are required for Graduation.

3. No student may *become a candidate* for the B.D. Degree until in possession of the degree A.B.

4. The insertion into the curriculum of an orientation course required of all Juniors which will point out the *perils* as well as the *responsibilities* and *great opportunities* of Theological training. In this course lectures by the President of the School will be supplemented by two lectures from each Professor, showing how the various departments conserve the chief purpose of theological education in this institution.

5. Increasing by four semester hours the credit which the University of Denver will give to Iliff students on the Master's degree for work done in Iliff.

6. The changing of the school year from two semesters of 33 weeks to three terms of 11 weeks each. Under this plan all courses will be four-hour courses enabling the teacher to carry a heavier teaching load with no greater effort, there will be eliminated the breaking of the school term by the Christmas vacation, and the way will be prepared for the Four Quarters System which should be adopted at the earliest moment feasible.

We are anticipating the coming of Professor Aspinall with pleasure, believing that he will add strength to our teaching staff. He obtained the degree of Doctor of Philosophy in June from the New York University and will be on the ground in time for the Fall Term.

We are not disheartened by the breakdown of the recent effort in the Conference to obtain increase of funds for the University of Denver, the Iliff School of Theology, and the Wesley Foundation. We believe that Colorado Methodism will support our efforts in ministerial training. We express our appreciation to all who have given a ready and helpful hand to the advancement of the interests of the school. We have found the task inviting, our officials sympathetic, the University co-operative, the men of the Conference cordial, and faculty and students serious and loyal to high standards. With due confidence we face the future.

Respectfully yours,

GUY CUTSHALL, President.

WESLEY FOUNDATION COMMISSION

One year ago, by action of this Conference, a Wesley Foundation for Colorado, was created, designed to include Christian work on the campuses of all tax supported institutions of higher education within the state. By the same action, a constitution was adopted and certain trustees were elected. The report adopted

at that time charged the trustees with certain specific duties. These duties and instructions have been carried out faithfully and to the letter as far as the trustees have understood the will of the Conference.

The above action provides for sixteen trustees to be selected in the following manner: Eight to be elected by the Annual Conference, in classes of two each, each class serving through a four-year term. The term of service of one class expires at this session, another class one year hence, and so on, until each class is elected to serve on a four-year basis. These eight trustees are required to choose two others, making a total of ten subject to election. The resident bishop and the five district superintendents are automatically members of the board, thus making a total of sixteen trustees, ten voting and six non-voting. The terms of E. G. Cutshall and W. A. Manual expire with this session.

The trustees have held four regular meetings during the year. Officers were chosen and committees created at the first meeting held last October. At the same time legal incorporation was affected according to the laws and requirements of the State of Colorado. The instrument is on record at the Court House in the City and County of Denver.

The field of service of the Wesley Foundation for the State of Colorado at present includes activities on the campuses at Boulder, Fort Collins and Greeley, where the local churches receive co-operation from the joint boards of Education and Home Missions, for the maintenance of student pastors, and the carrying on of the work with and among the students. The three student pastors are cultured men, thoroughly trained and constantly alert to all phases of the great task facing them.

The Foundation also participates in the religious program at Golden, but on a different basis. Last year \$599.00 was contributed through the churches to that fund, while \$316.00 was contributed through private sources. Work at Gunnison is also contemplated, but the lack of funds has hitherto rendered this out of the question. During the last school year, a total of 852 young people who are members of the Methodist Church, were in attendance at Boulder, Fort Collins and Greeley. An additional number of 360 Methodist preference students brings us to face responsibility for 1,212 Methodists on these three campuses. More than half of this total number are regular attendants upon the ministrations of the college churches.

In harmony with the instructions of the Conference of one year ago, the Wesley Foundation made full arrangements to participate in the all Colorado endowment campaign last winter. If the outcome had been wholly successful, the sum of \$100,000 would have been ultimately available to the credit of the Foundation for endowment and building purposes. The disappointing results simply mean throwing back upon the local churches in these education centers, financial burdens and responsibilities greater than they can reasonably and successfully bear. Colorado Methodism must speedily realize its responsibility for these ever-increasing numbers of its own Methodist youth at these centers, or face a heart-breaking future.

FRANK R. HOLLENBACK, President Wesley Foundation for Colorado.

RECOMMENDATIONS AND REQUESTS

We recommend that an apportionment of ten cents per member be made to the charges for the Wesley Foundation and that our pastors make a strenuous effort to raise this minimum amount.

We approve of the recent action of the Wesley Foundation in turning the responsibility for the support of the work at Golden to an outside Committee of ministers and laymen resident in Denver and vicinity and that all such funds collected be paid through the treasury of the Wesley Foundation.

We recommend that an Iliff Sunday be ordered and that the plans therefore be worked out by President Cutshall.

In view of the imperative need of Theological education and of the close control and responsibility of Colorado Methodism to the Iliff School of Theology, we recommend that the Board of Education grant \$5,000 to said Institution during the next fiscal year of the Board of Education.

Because of the increasing needs of the University of Denver, we recommend that the Board of Education grant to the University the sum of \$10,000 instead of \$6,000 as at present.

We further recommend that the askings for the Wesley Foundation be increased by \$1,000 over the grants for this year.

NOMINATIONS

We nominate as Trustees of the Wesley Foundations, the following: President Cutshall and Prof. W. A. Manual.

As visitors to Iliff School of Theology: T. P. Barber, J. R. Edwards, Guy Goodsell, G. W. Olinger, Prof. Ira DeLong, C. E. Albertson, G. F. Klein, C. A. Latimer, Judge Miller and John Spargo.

FRANK R. HOLLENBACK, *Chairman*,
FREDERICK T. KRUEGER, *Secretary*.

THE COLORADO CONFERENCE BOARD OF PENSIONS AND RELIEF

Annual Report of the Secretary

Modestly and with some degree of reluctance, I submit to the Conference this first report of the Executive Secretary of the Colorado Conference Board of Pensions and Relief. To those expecting large, immediate results, the achievements of the year, will be a bit disappointing. The present Commission inherited from its predecessors a current expense indebtedness of some \$325.00 which was being carried on the personal note of the old commission by one of the Denver banks. This note was renewed at the beginning of the year and reissued over the signatures of the present commission. At its expiration at the end of sixty days, our Treasurer was instructed to loan money from our own funds to take it up and statements were sent to those who still owed on the old assessment asking that each take his pro-rata share of the amount. This brought in \$104.43, reducing the debt to about \$220.00. This amount still stands as a personal obligation of the present commission to the general fund of the Board.

Owing to the fact that a clear field had been promised by the Conference for the Educational campaign for the Conference year, it was thought best by the Commission to allow the Executive Secretary to give one-half of his time for five months to field work in that campaign. This left approximately seven months of the year only for work on the reserve fund.

I have in general to express my keen appreciation of the loyal support given by the members of the Conference in their action of a year ago voting a contribution of one per cent of cash salary to the work of the Board. An analysis of the result of this plan is illuminating. It is of interest that every pastor in the Conference except one, receiving \$3,000.00 per year or more salary has either paid or pledged. This fully disposes of the fear entertained by some last year that the "big fellows" would not participate. In the case of the one alluded to as in that of several of the men drawing smaller salaries who have not come in, there have been extenuating circumstances, such as illness and financial distress which has made the year a hard one with added financial burdens. In some cases the churches have raised the money in addition to their full apportionments for the Board of Stewards. In one case where a supply pastor sent me his one per cent out of a scant \$1,000.00 salary saying his church could not raise it, I returned the check. His own immediate need was greater than that of the reserve pension fund.

Twenty-four detached men, among whom are included for convenience all who do not hold actual pastorates in the Colorado Conference, have participated, paying a total of \$736.96.

	Ministers	Laymen	Total
Total Cash Received.....	\$2,734.34	\$1,633.43	\$4,367.77

Pastors Pledged and Not Paid.....	17
Pastors, No Expression.....	15
Pastors Refusing to Participate.....	1
Detached Men, No Expression.....	14
Detached Men Not Participating.....	1

Total180

In this total of 180, no account is taken of supplies, of men on leave of absence and of men left without appointment to attend school.

The unpaid pledges of the laymen are most of them on the yearly giving basis and not yet due.

Attention should again be directed to the fact that under the plan adopted by the Conference one year ago, no deficit can accrue for the work of the Commission. Of the entire amount collected by the Executive Secretary and turned over to the treasurer fifty per cent goes at once to the reserve fund. Out of the remaining fifty per cent all incidental expense as well as the salary of the Executive Secretary, is paid. Under this plan we will be able to turn over to the investing committee of the Preachers' Aid Society the sum of about \$2,000 this year. The incidental expense exclusive of salary has been kept to the minimum. The entire amount used for printing, stamps and stationery, travel and hotel expense, exclusive of meals which are not charged, has been \$147.93.

While it cannot be counted as an immediate asset, two wills in favor of the new pension fund have been made during the year which ought eventually to be worth some five or six thousand dollars to the fund.

Attention is called to several things which should now begin to act toward the acceleration of the growth of the reserve fund.

1. With the ready and willing co-operation of the Managing Board of the Preachers' Aid Society, steps have been taken toward the closing of the last restricted fund of the Conference when it has reached the figure of \$80,000, which will easily be within the year just beginning. This will permit the funds assigned without pressure or even asking for them by the beneficiaries of those funds to

some permanent fund to turn their gifts in the direction of the reserve pension fund for the whole Conference. The regular annuity rates will be paid for these gifts which average higher than any return yet made by the income of the present funds.

2. The accumulation of over two thousand dollars in live pledges over the signatures of laymen will now begin to be productive and can be easily added to so as to produce a steadily increasing income from that source.

3. Certain individuals are now on the Executive Secretary's list of "prospects" from whom somewhat larger gifts may be expected. One widow of a wealthy cattleman talks of either an annuity bond or a bequest. The owner of 1,600 acres of range land in western Colorado is in sight who may be willing to have his land sold and the proceeds placed in our hands on an annuity basis.

4. At least one official board in the Conference is nearly at the point of including an appropriation for the reserve fund in its budget. The active participation of the Pastor in his contribution of a stated portion of his income to this fund has its ready effect on the layman. This is to him almost a new thing under the sun and he responds with alacrity.

On August 24, the Commission met to outline plans for the new year. Copies of tentative plans had already, on August 5, been broadcasted to the Conference by mail. This plan, with a few modifications, the Commission is now ready to present to you for your final consideration.

Respectfully submitted,

E. N. EDGERTON, *Executive Secretary.*

REPORT OF COMMITTEE ON CHURCH SCHOOLS

In order to further promote the work of Religious Education in the Colorado Conference, we recommend that an apportionment of five cents per member, based on the average attendance as recorded in the minutes of 1925-26, be made on each Sunday School, this sum to be used to cover the travelling and office expenses of the Superintendent of M. E. Sunday Schools in Colorado.

We recommend that a special column be given in the Conference blanks and the Conference minutes for this item, namely, *Conference Church Schools* and that the treasurer issue vouchers to all who contribute to this fund.

We most heartily commend the work of Dr. H. M. Pingree, Superintendent of the Methodist Episcopal Church Schools of the Colorado Conference and pledge him our support in the promotion of an advance program of Religious Education throughout our Conference.

We present the following names to compose the committee of the Department of Church Schools of the Colorado Conference for 1926-27. (See Committees.)

RECTOR W. JOHNSON.

REPORT OF COMMITTEE ON EPWORTH LEAGUE

Believing that there is no virtue in presenting a report which does not contain definite and specific suggestions for promoting the work of the kingdom of God, the Conference Committee on Epworth League submits the following recommendations:

1. As the attitude of the pastor almost invariably has direct and proportionate influence on the work of the young people, we heartily recommend that every pastor in the Conference give generously of his time and personal interest to the work of the young people of his church.

2. As a result of the rapidly multiplying agencies of work with young people within the individual churches, there is a constantly growing zone of overlapping and duplication of work, while many important possibilities are frequently overlooked and neglected. We recommend that each pastor give careful thought and study to this problem and try experimentally to work out the solution for his own individual church.

3. We recommend that the district superintendent and pastors of each district give their support to the organization and *functioning* of a District Epworth League in order that weak chapters may be strengthened and all chapters may be stimulated by co-operative efforts.

4. The Committee on Epworth League wishes further to lay before the Conference a plan for dealing with a fourth matter which is very important. The Committee recommends its adoption.

Plan: Because the Estes Park Epworth League Institute Commission (which Commission is not a creature of the Conference) has concluded as a result of several years experience that an Institute held at a rented location can not be satisfactory, it is desired that another location should be selected and made permanent by purchase. A particular site, known as Pine Crest and situated adjacent to Palmer Lake, has been selected and approved by that Commission, to be the location of the Epworth League Institute for the Greeley, Denver, and Colorado Springs districts.

The Conference shall give its approval to this procedure, and by adoption of this plan does hereby approve and authorize the purchase of the designated site, together with the equipment thereon, by an incorporation representing the Epworth Leagues of the Greeley, Denver, and Colorado Springs districts.

It shall be understood that in adopting this plan the Conference shall in no way be construed as giving special recognition to that Epworth League Institute in question, nor is the property, if purchased, to be the property of the Conference, but of the incorporation representing the Epworth Leagues of the three districts above named.

WALTER A. MCLENEGHAN, *Secretary.*

RESOLUTIONS

As a Conference gathering for our sixty-fourth annual session, we hereby express appreciation for all that has ministered to the effectiveness and comfort of this meeting.

Bishop W. F. Anderson's presidency has been a blessing to us all. Strength and tenderness combined, spiritual depth, love of beauty—these, together with marked ability in the administration of the Conference business, have greatly endeared him to us.

Our Resident Bishop Chas. L. Mead has been heartily welcomed to as many of our sessions as his returning strength would permit.

Visiting representatives of our connectional activities, as well as of other lines of Christian work, have brought information and inspiration.

The very gracious services of Dr. E. Guy Cutshall deserve our highest commendation. That his addresses were extremely profitable and popular is attested to by the fact that the attendance and interest constantly increased. As these lectures cost the Conference not one cent, we owe a special vote of thanks to Dr. Cutshall.

We would also express our sincere appreciation of the presence and heart-stirring addresses of Bishop Birney.

The plant of the Park Hill Church is well adapted and has proven adequate to the requirements of the many-sided businesses of the Conference.

DONALD H. TIPPETT,
BURKE R. LAWTON.

REPORT OF COMMITTEE ON AMERICAN BIBLE SOCIETY

In the extensive and extending field of translating, producing and distributing the Scriptures, both at home and abroad, the American Bible Society has performed a limitless service in keeping the Bible as the center of religious education and the source of inspiration. While any merely profunctorial reading of the Bible is nearly valueless, we believe that wherever its teaching is unflinching followed, the greatest and most far-reaching results obtain. These results are seen in the reformed lives of men and women and in the changed and improved conditions of society. The spread of Christianity and the deepening of its power is largely dependent upon a comprehensive understanding and presentation of its essential and fundamental truth. The Society has produced during the year 1925, 375,202 Bibles, 652,761 Testaments and 8,186,460 portions or a total of 9,214,423 volumes. Let it, therefore, be resolved that we heartily commend the work of this Society and further its interests in every way possible.

A. C. HOOVER, *Chairman*,
J. A. SMITH,
C. E. HARRIS.

REPORT OF THE W. F. M. S.

The Committee on the W. F. M. S. is glad to report to the sixty-fourth session of the Colorado Conference that the Society reports an advance along all lines. Throughout the Conference the women of the Methodist Episcopal Church are organized for service, whether there is a pastor or not, the W. F. M. S. goes on doing business. Our church was primarily organized as a missionary society, and the W. F. M. S. is not an adjunct of the Church but a society organized to carry on the primary objective of the church.

Therefore, we most heartily commend the work of the W. F. M. S., and call upon all our pastors to give the society their active support. We recognize the fine leadership of the women in these societies and pledge them our loyalty, our active assistance and our prayers.

(c) SPECIAL COMMITTEES

REPORT OF COMMITTEE OF NINE

The Committee of Nine appointed to try the case of John Winterbourne met in regular session with all members of the Committee present. The Committee recommends that Brother Winterbourne be continued in the supernumerary relation one more year and that he be ordered to report for work next year or locate.

I. B. WOOD, *Chairman*.

RESOLUTION AFFECTING PROPOSED MERGER OF WEST GERMAN AND COLORADO CONFERENCES

1. We recommend that all property of churches and parsonages now held in trust for the West German Conference and located within the bounds of the Colorado Conference, be transferred to the Colorado Conference of the Methodist Episcopal church to be held in trust for the benefit of the ministry and membership of that Conference.

2. That the Bishops responsible be requested to transfer to the Colorado Conference the effective members of the West German Conference serving charges within the bounds of the Colorado Conference at the time of the session of the Colorado Conference, but that all reports for the Conference year 1925-26 be made to the West German Conference.

3. That the Bishops involved be requested to transfer C. W. Lauenstein to the Colorado Conference and that the Colorado Conference accept the responsibility for his annuity and also the annuity claims of the two widows, Mrs. Ed Gruen and Mrs. H. Hausser.

4. That to the Board of Pensions and Relief be committed the "actuarial adjustment" of the ministers transferred to the Colorado Conference together with the claims of the widows for which this Conference accepts responsibility but that the West German Conference shall transfer directly to the Colorado Conference the money coming to said Conference, as determined by this "actuarial adjustment."

5. That all these transactions shall become effective at the close of the session of the Colorado Conference.

C. A. WRIGHT, *Secretary Joint Committee.*

REPORT OF COMMITTEE ON SOCIAL SERVICE

The day has long gone by when the preaching and the practice of the gospel can be ignored in those broad fields of human life currently called, Social Science. Here, if anywhere, the need of the gospel message must be sown and the fruits of the gospel be found.

It is clearly recognized that many questions arising in industry and commerce are not yet settled, that their settlement involves serious difficulty; yet, it is clearer than ever that the church would be false to her faith should she wait until matters of this kind are settled by men and methods that scorn and ignore the church and her mission. Through her highest authorities the church has already spoken on such topics as a living wage, and the recognition of labor's right to organize and to be heard through representatives of its own choosing as well as the right of employees to an increasing share of responsibility in the control of industry.

Moreover, in these days when even the President of the United States is urging upon our farmers the idea of co-operation, it behooves Christian leaders everywhere to familiarize themselves with the co-operative method as a Christian substitute for the pagan competitive system motivated by profit, rather than the Christ ideal of service; and to hold their people to the ideal adopted by the General Conference, looking toward a day "when all who participate in industry shall become co-operators with each other and co-workers with God in the service of humanity, using the materials which He has provided for the common good and not for selfish advantage."

While working toward this ultimate goal we hold that two major industrial issues should be of particular concern to the Christian men and women of Colorado.

Methodism has never receded from its indictment of the institution of child labor, viz, "Neither Milton nor Goethe's devil could have devised a plot against mankind more demoniacal in torture or in destructive consequences than this outrage upon helpless childhood by commercial greed . . . Only a pagan church could be silent about it." This issue will never be settled until every child in America shall have an opportunity to prepare to live the more abundant life. We, therefore, urge all our preachers and laymen everywhere to join with labor leaders in spreading the truth in opposition to the false propaganda which has temporarily halted the march of forces making for a constitutional amendment.

Nor can any organization which calls itself Christian longer be silent about the conditions under which many of the industrial girls and women of our state must labor. We, therefore, declare ourselves as favoring action by the executive and legislative departments of our state which shall insure the effectiveness of the laws now on our statute books, and such a strengthening of those laws as shall insure wages which will enable girls to live in all decency and self-respect; and permit mothers, compelled to work in industry, adequately to provide for their little children.

We are convinced that the only way in which a Christian has a right to look upon his world today is with an international mind. Methodism was instituted by the great evangelist with the slogan, "The world is my parish."

On the foreign field the standards of the Christian missionary and the industrial, financial, and social practices of our business and diplomatic representatives have been brought into such sharp contrast as to force consideration of our industrial and inter-racial relationships at home. Economic exploitation and imperialism, backed by nationalism and force, are in many fields trailing too closely upon the heels of the missionaries. Consequently, there is confusion concerning our ultimate aims, and the value of the Gospel.

We hold that another major task for the ministry of our day is that of Christianizing the mind of America in its outlook upon war. There is a widely disseminated propaganda for preparedness, coming from military quarters and freely distributed by corporations interested in the manufacture of munitions and supplies of war. There must be substituted for this propaganda the Christian ideal, at least in the degree embodied in the official declaration of our church to the effect that "War is not inevitable. It is the supreme enemy of mankind. Its futility is beyond question. Its continuance is the suicide of civilization. We are determined to outlaw the whole war system . . . We set ourselves to create the conditions of peace. Selfish nationalism, economic imperialism, and militarism must cease."

In view of these ideals we protest against the militarizing of the mind of America through military training in boy's clubs, through the R. O. T. C. of our schools and colleges, as well as through the type of publicity now given to the Citizen's Military Training Camps.

In this connection we urge upon all our pastors that they provide for the organization of groups in all our churches to study the causes, consequences, and cure of war, as well as the factors which will make for international good will, as provided by the legislation of the last General Conference.

A. A. HEIST, *Secretary.*

Beth-El Hospital

COLORADO SPRINGS, COLORADO

Is the only Protestant Hospital in Colorado Springs and the only Methodist Hospital in Colorado Conference.

The facilities of Beth-El Hospital are planned to meet the wishes of everyone. Each department—maternity, medical, surgical—has its own supervising nurse who is a specialist in her work, and who is aided by a competent and ample corps of nurses. Making use of Beth-El during illness of any kind not only aids the patient to better recovery, but at the same time saves worry and confusion among the remaining members of the household.

The situation of the hospital is quiet, restful and beautiful, ideal for effective treatment and recuperation of the sick. Special attention is given to Diabetic patients. This can be done in a thorough manner because of the excellent facilities of our laboratory and dietetic departments.

The Beth-El Hospital Training School for Nurses is a fully accredited Class A school, offering a full three years' course, covering all the branches of nursing.

**APPROPRIATIONS FOR CONFERENCE CLAIMANTS' SUPPORT
FOR CONFERENCE YEAR 1926-27**

The support of these Claimants for any quarter depends upon what the Church Treasurers remit the *preceding quarter*. Also it is the Conference order that all deficit in Conference Claimants' receipts from charges at a session of Conference shall in proportion reduce the following fourth quarter's check to Claimants.

The Minimum Disciplinary Annuity Rate for the Colorado Conference for 1924-7 was announced as \$6.58 per quarter for each annuity year of a retired minister. Only the even dollar is used in the table of their appropriations, the odd cents finding their place in the fourth quarter's check, provided the churches have sent in their apportionments quarterly and fully or pro rata to each settlement day, not later than the end of each quarter—December 10, March 10, June 10.

IMPORTANT

Attention of Pastors and Church Treasurers is called to the fact that all checks for support of Conference Claimants are to be sent to the Secretary of the Board of Stewards, E. N. Edgerton, Room 312, Trinity Building, Denver, Colo.

Vouchers for checks received on apportionments will be mailed to the Pastors of the churches from which they come. Treasurers may have a duplicate voucher if they request it, otherwise the cancelled check will be their receipt.

Receipts on regular claims for the past year fell short of receipts for the preceding year by about ten dollars. This is not a heavy loss but salaries INCREASED about \$10,000.00. Should not the Claimants join in this general prosperity?

It is to be borne in mind that the Claimants cannot be paid unless the charges pay in each quarter the amount of their quarterly apportionments. We give below a tabulation of the Claimants and their claims based on the \$24.00 rate, reminding the brethren that the legal rate is \$26.00 and that the hope is that the balance can be made good to the Claimant after Conference next year.

On the death of any Minister *not* on the retired list, the annuity claims of his dependents begin at once.

A claim is liable to lawful reduction or to extinction at the end of any quarter.

REPORT OF THE METHODIST EPISCOPAL COLORADO CONFERENCE PREACHERS' AID SOCIETY

For forty-eight years this Society has been the Conference incorporation under the direction thereof to gather, invest, and disburse funds for the support of Conference Claimants. Following request and direction of 1925, the Board of Managers have ordered the "Patrons' Fund" of \$77,000, with its stipulated obligations to donors, to be closed to all further receipts whenever gifts to it shall make it up to the amount of \$80,000, as the earlier Jubilee Fund was closed some years ago at \$40,000. To the principal of these joint funds of some \$120,000, by the will of their donors the entire body of the Claimants of the Conference are the ultimate heirs and beneficiaries.

This closing was done in order to direct contributions into the less-closely restricted "Conference Fund," which last year was a trifle over \$14,000.

The Conference Board of Pensions and Relief (Secretary Edgerton) has adopted the Society as its Trustee and investing body. Its Treasurer S. A. Curtis, has added to the Conference Fund \$1,000, which with some profits make that Fund stand on Aug. 31, \$15,500, as will be shown below. (As this report is being read, Treasurer Curtis hands to Treasurer Steel checks for \$975 to be placed to same account, making the Fund really \$16,475.)

Our Auditing Committee, headed by our long-serving Accountant Frank E. Miller, of Cameron Church, report finding the securities and accounts correct, with only two payments of interest a few days delinquent.

Following is the statement of Aug. 31, 1926, the day before Conference :

VII. Memoirs

OF THE COLORADO CONFERENCE OF THE METHODIST EPISCOPAL CHURCH FOR THE CONFERENCE YEAR 1925-26

(In chronological order)

Charles W. Shaw

Charles W. Shaw was born at Cincinnati, Ohio, December 11, 1836, and died Sunday, November 1, 1925, at the home of his daughter, Mrs. Frank H. Essert, 902 Greenwood Avenue, Canon City, Colorado; being thus nearly to the 89th milestone of life's earthly journey.

When he was 14 he lost his mother, who from birth had dedicated him to the ministry. The loss of his mother affected him deeply and left his home life so broken that he soon left home to make his own way in the world. Blessed with an indomitable will and courage, during the next few years, after working for only board and room, he managed to complete his elementary education, with more than the average acquirement of general knowledge and culture. Around his 18th year he entered the Iowa Wesleyan University at Mount Pleasant, Iowa, for his college work and special preparation for the ministry. As a student preacher he made his way through college. His first appointment was a small church in Des Moines.

In 1858 Mr. Shaw returned to the Hagen of Sijourney, Iowa, where he was married, and to this union were born two sons and four daughters, only two of whom survive him—a son, A. W. Shaw, of Kansas City, Mo., and a daughter, Mrs. F. H. Essert, of Canon City, Colo.

Over twenty years of his life were spent in active service in the ministry and when forced by reason of death in his family to retire from active work he still supplied for many years. In 1870 he transferred to the Northwest and was stationed at Salem, Oregon, where he was active in building up the life of that young capital, and establishing the Willamette University located in Salem.

In 1878 Mr. Shaw returned to the Middle West on account of his wife's health, and a few years later she passed away.

Subsequently he was married to Mrs. Cynthia E. Bushy, of Cedar Bluffs, Neb., where he was serving as pastor, and who survives him.

During the Civil War Mr. Shaw served his country as a special recruiting officer in Kansas under John Lane, and was always active in civic and community and national life. A great reader always, informed on all national and international questions, he was a strong force in every community in which he lived.

His ministerial life was marked with success, the churches under his care always growing in membership and spiritual power. Possessed of a fine baritone voice, his congregations loved to hear him sing, and his rendition of "The Ninety and Nine" and other old songs is still remembered by old parishioners.

During the years of his active ministry he filled the following appointments: In Iowa, Wesley Chapel, East Des Moines; Monroe, Knoxville, Newton, Troy, Jasper City, Simpson, Oskaloosa and Broomfield; in Oregon, Albany, and Agent for Willamette University; in Kansas, Rosedale and Sabetha. He has been a member of the Colorado Conference, in the retired relation, since 1904.

Mr. Shaw was a faithful member of the Methodist Church in Canon City, Colo., and her interests were always uppermost in his thought and prayer.

He was one of the founders of and laid the cornerstone of the Y. M. C. A. and Mrs. Shaw was one of its donors, both of them always vitally interested in its welfare, one of his last requests being that Mrs. Shaw continue her interest and help.

As a husband, a father, a friend and a citizen he is loved and revered, and his final word to the world was "All is well!"

His body was laid to rest in Lakeside Cemetery, Canon City.

Gladys Marie Ragatz

Gladys Marie Ragatz, daughter of Arthur F. and Martha J. Ragatz, was born in Vineland, Pueblo County, Colorado, on October 27, 1900. Died November 25, 1925, in Denver, Colo. Aged 25 years and 28 days. In 1907, in Loveland, Colo., at the age of 7, she became a member of the Methodist Episcopal Church, of which her father was the pastor, and up to the time of her death was a faithful member, active in Sunday School and Young People's work until her health compelled her to lay aside all activities. In 1916 her health failed and she began the losing fight which lasted for ten years, until

"She heard the voice of Jesus say,
Come unto me and rest."

Reuben N. Smith

Reuben N. Smith was born at Traphill, North Carolina, January 28, 1866, and passed from this life at the family home near Palisade, Colorado, Thursday, December 3, 1925, aged 59 years, 10 months and 5 days. His early life was spent in North Carolina, where he attended the public school. When a young man he entered the academy at Harriman, Tennessee, taking courses in law and in theology, later graduating with the degrees, Bachelor of Law and Bachelor of Systematic Theology. He was licensed to preach in the ministry of the Methodist Episcopal Church in 1885. His first work as a pastor was on his home charge. On December 27, 1893, at Perkins, Oklahoma, he was united in marriage to Miss Grace Born. She died December 9, 1894. To this union one child was born, a son, who died in infancy. At Denver, Colorado, on August 28, 1901, he was united in marriage to Miss Ella Seitter. To this union were born three children—Lyra, Carl and Mabel. Rev. Smith is survived by his wife, two daughters, Lyra and Mabel, and one son, Carl, all of Palisade; four brothers, Ralph of Palisade, T. W. of University Place, Nebraska, Rev. M. C. of Elk Creek, Nebraska, and C. W. of North Carolina. Of seven brothers in the Smith family five were ministers.

Receiving his license in 1885 he was admitted to the Blue Ridge Conference of North Carolina in 1888. Since he has served as the Methodist Episcopal pastor in the following places: Harkers, Islan, Marion and Boone in North Carolina; Perkins and Perry in Oklahoma; Paonia twice, Holyoke, Sterling, Julesburg, Palisade, Windsor and Lamar in Colorado. He was retired in 1918 by the Colorado Conference on account of failing health. He served in his retirement at Winston, Missouri, in 1918-19. During his ministry he was leader in building churches at Hotchkiss, Julesburg and Windsor, Colorado. We shall miss him. Brother Smith was a hard and willing worker, a true follower of the Christ and his Church.

Burial was made in the Palisade cemetery.

William Lowell Crisman

William Lowell Crisman, little son of Rev. and Mrs. Homer C. Crisman, of Cripple Creek, Colorado, where Rev. Crisman is pastor of the M. E. Church, was born at Beth El Hospital, Colorado Springs, on June 11, 1922, and died at Cripple Creek, after a brief illness, on January 19, 1926.

His father says, "We have missed him terribly, but we know that some day we shall see him again."

Mrs. Lydia Kuhl Hornbeck

Lydia Kuhl Hornbeck was born to earthly life in 1857, in Beardstown, Illinois, and to the heavenly life on January 30, 1926, in Denver.

Her parents were George and Mary Elizabeth (Mashmeyer) Kuhl, of the strictest American-German lineage. Early in life these had found congenial surroundings religiously in the Methodist Episcopal Church, and the combination resulted in a home and characters greatly to be coveted in these days of the vanishing home. The abode of "Father and Mother Kuhl," as they were widely and lovingly known, became the unofficial headquarters of Beardstown Methodism.

Religion—loving, rational, helpful, enjoyable—being the native atmos-

phere of that home, one can easily understand how the life of Lydia Kuhl ripened into the superb woman and wife she became. Substantial with alertness, earnest with kindness, intense with good will, boundlessly hopeful in the things of God and folks, it is no wonder that the young pastor, M. D. Hornbeck, asked for and took from such a home one of its jewels for his great work in the ministry. They were married on September 1, 1881, and she went with him at once to his new "student charge" at Franklin, Massachusetts, whence he daily attended the Boston University School of Theology. Upon his graduation in 1884, all the more full became that joint work of teaching and ministering that continued for almost thirty active years. A perfectly equal and important share in that ministry was always hers. Who that ever saw them quietly counseling together, with eyes looking into the soul of the other, can ever forget their mutual absorption in each other and the work. Equally-yoked believers and workers were they. In all the churches is her memory all pervasive, as ointment poured forth.

Their lives after his necessary retirement in 1913 were finally spent in University Park, and were doubtless typical of all their ministry. Sister Hornbeck was ever ready, whatever the call or opportunity. Her presence in any of the meetings of religious bodies was always felt to make a quorum. Naturally because of intense interest and wide information she was at the fore in the Women's Missionary Societies, often as officer, as she was in two district bodies. Her conduct of the devotions was never perfunctory. Her prayers were so different. Upon them we were borne as on wings.

Through thrift and wise care, her gifts were generous. Most lonely has been her life since two years ago her husband was taken to the long home. Several brothers and sisters in the East survive and mourn her, one of them, Mrs. William Helme, of Oak Park, Illinois, being with her for some time before her last breath.

Her children were Stanley and Helen, who died in infancy. In Stanley she was able to see the parental sturdiness, fineness and character coming to the full. If ever mother lived rejoicingly and rightfully in son, in more senses than one, it was here. She soared in him into the heights of his great work, especially at this moment as one of the State Department's commissioners for the delicate revision of the extraterritorial treaties with China, sitting in Peking, where by cable he learned of his mother's failing, but with whom the government pleaded for his stay.

These three. When shall we behold their like again?

Nathan Hugh Lee

The Rev. Nathan Hugh Lee, D.D., an honored member of the Colorado Annual Conference, passed to his reward from his home in Colorado Springs, Colorado, February 20, 1926, at the age of 71. Dr. Lee was born in Tipton County, Indiana, July 8, 1854. The family moved to Clay County, Illinois, when he was a boy, and to Flora, Illinois, when he was a young man.

His parents were John and Permella (Banta) Lee, members of the Methodist Episcopal Church. He was converted and united with the church at the age of 11. His usefulness as a Christian youth being early recognized, he received an exhorter's license and at the age of 20 was licensed as a local preacher and a few weeks thereafter received on trial in the Southern Illinois Annual Conference in 1879. He was first appointed as junior preacher on the Sumner Circuit, becoming preacher in charge of Miles Station in 1880. In 1881 he was admitted to the conference and continued at Miles for the second year.

In June, 1880, he had married Miss Mary Belle Pierce, daughter of the Rev. and Mrs. Benjamin R. Pierce, well-known member of the same conference, who was then pastor at Flora, Illinois, Lee's home town. Together they have wrought through the years since. Mrs. Lee, though in somewhat precarious health, survives her husband.

After two years at Kane, Illinois, for better ministerial training, in 1884, Brother Lee moved to Evanston and entered Garrett Biblical Institute, supporting himself and family as a student pastor. His work at Arlington led to his transfer to the Rock River Conference in 1887. He next served Grand Crossing, now the strong congregation of Ingleside, where after two years the health of his young wife having shown some decline, in order to secure the benefits of a mountain climate, he took the supernumerary relation and was appointed to Laramie, Wyoming, Mission.

In the Colorado Conference, after finishing three years at Laramie, he served Trinidad, four years; Grant Avenue, Denver, four years; Fifth Avenue, three years, and then came six notable years as superintendent of the Rio Grande, now the Grand Junction, District. He was greatly loved by the pastors of his district, and being a good soloist as well as a strongly evangelistic preacher, his effective aid was welcomed by all the charges.

Following his superintendency, he was appointed to Asbury, Denver; next, a year as Conference evangelist; one year as superintendent of the Anti-Saloon League for Wyoming; but his heart was in the pastorate, so in 1913 he became pastor at Monte Vista, then at Rocky Ford, Lamar, and four crowning years at Asbury, Colorado Springs, whence, after 44 years in the ranks of the active ministry, he asked the retired relation in 1923.

Dr. Lee was a minister of rare, sturdy character, finest temper and poise, and naturally of a sunny disposition. One simply never saw him frown. He was a student to the end and brought up his estimable family to the ideals of highest culture. Three sons and a daughter constituted the family. All were students of the University of Denver; Earl pre-deceased his father; Paul, Olin and Edna graduated from the university and live to comfort their mother to continue the successful ministry of their honored father. Dr. Lee's illness, from an affection of the heart, continued for ten days. He was fully conscious of the seriousness of his condition, but accepted the prospect of release with the same quiet trust and cheerful equanimity which had characterized his whole ministry. His end was peace.

Funeral services were held in First Church, Colorado Springs. The interment was in Crown Hill Cemetery, Denver.

Mrs. Charlotte E. Fisher

Charlotte E. (Smith) Fisher was born at Geneva, N. Y., on April 2, 1846, and departed this life in Denver, May 6, 1926, being an octogenarian.

Of most pious Presbyterian parentage, she was baptized in infancy and was brought up in the nurture and admonition of the Lord. At the age of 14 she was received as an adult member of the Presbyterian Church, and she remained such until 1881, upon her marriage to the Rev. Oscar L. Fisher, D.D., when she brought her rich life and rare talents to his church.

From early girlhood she took a great interest in the spread of the good tidings with its renewing power to those benighted. At the age of about 19 she gravitated from western New York toward Mount Holyoke, in the Connecticut Valley in Massachusetts, where now are so many noted schools—Mount Holyoke, Smith, Amherst and Moody's Mount Hermon. Mrs. Fisher was there graduated in 1869.

After graduation she taught for twelve years at Geneva and East Aurora, in New York, and in three Illinois institutions—Mount Morris, Rochelle and Jacksonville.

While at Mount Holyoke she was twice invited into a foreign mission field, the first to the Sandwich Island, and again to South Africa, but duties nearer home seemed to hinder. That institution was as a lighthouse for sending rays into the night. It was so saturated with the spirit of service that it became almost inevitable that one should marry either a minister, a missionary or a teacher. In middle life Mrs. Fisher felt that she had not broken the tradition, in that her husband met two of these qualifications for their co-operative life.

At the time of their marriage, Dr. Fisher was pastor of the Methodist Church at Greeley, Colorado. After their marriage they moved to Denver and during the ensuing six years Dr. Fisher served as pastor of two local churches. It was in the last year of his stay here, 1887, that he was named superintendent of missions and during that time, with the aid of his wife and others, founded the Grant Avenue Methodist Episcopal Church.

From Denver the couple moved to Evanston, Wyoming, where Dr. Fisher occupied the pulpit of the Methodist Church for two years, and they then went to Fort Worth, Texas, where Dr. Fisher became president of the university and Mrs. Fisher took over the office of prefect of women.

In 1903, because of Dr. Fisher's ill health, they returned to Denver and Mrs. Fisher became dean of women at the University of Denver. She held this office only one year and then devoted her full time to the care of her husband. He died in 1907.

Since then she has gone in and out alone in this community, a helper beloved by all. Of rare intelligence, she could speak or absorbingly listen with equal interest. How she eyed the speaker.

There was about her an air of nobility. It was an air of culture—but not of culture for self, but for others.

Mrs. Fisher during her residence in Denver was an active worker for the Grant Avenue Church, for the Fourth Avenue Club and for the Woman's Foreign Missionary Society, in which she has held several offices.

The prophet Elisha would have written her down as a "great woman," as he did the Shunemite. May her example and ideals here abide!

The funeral services were held at Grant Avenue M. E. Church, Denver, Colorado, with burial at Greeley, Colorado, beside the resting place of her husband.

Rev. Orlando Milo Bowman

This beloved brother and faithful minister of God's Word went to be with his Lord on August 5, 1926. He was born April 17, 1856, on a farm near Washington in the State of Iowa. In 1863 he moved to Ohio and lived there until he was grown.

He was graduated from the State Normal at Ada, Ohio, and from Mount Union College. After leaving school he taught school for two years in Allen County, Ohio. In the late '70s he went to Kansas, where he continued his work as a teacher until he entered the ministry in 1891. His first charge was at Vermillion, Kansas. After this he filled appointments

at Blue Rapids, Washington, Herrington, Kansas City, Topeka and Olathe, all in the State of Kansas.

It was while at Olathe that, on account of the sickness of his wife, Clara Fryhoffer Bowman, he gave up the work and went to Colorado, where Mrs. Bowman died in December, 1909. To this union were born three children, who still survive—Harold V., of Vancouver, Washington; Donald W., of Chicago; and C. Louise, of Salt Lake City.

While in the Colorado Conference he served the churches at Fort Lupton, Denver, Carbondale, Cedar Ridge, Fort Collins, Breckenridge, Lafayette and Armel. While at Fort Collins he was married to Ada McDowell, of Meadville, Pennsylvania, who still remains to mourn his loss.

In September, 1924, he took the superannuated relation and moved to Springboro, Pennsylvania, where he made his home until he very quietly took his departure on the 5th of August. While in Springboro he supplied the Palmer Church and took an active part in the religious life of the community.

Funeral services were held at the Springboro Church, conducted by Dr. W. P. Murray, superintendent of the Meadville district of the Erie Conference, assisted by six local pastors. The address was delivered by a brother of Mrs. Bowman, Rev. Geo. R. McDowell, of Gowrie, Iowa. The body was laid away at Springboro.

Besides the wife and three children he is survived by a brother and a sister, J. A. Bowman and Mrs. C. O. Myers, both of Kansas City.

George Selby Parker

George Selby Parker was born April 13, 1857, at Chamberg, Ontario, Canada. Both his grandfathers were Wesleyan Methodist local preachers. He was converted at the age of 14, renewed at the age of 22, when he joined the Methodist Episcopal Church at Grand Forks, N. D.

He studied one year in Winnipeg College, Manitoba; five years in Hamline University, from which he received his A.B. in 1886 and his A.M. in 1889; and three years in Drew Theological Seminary, from which he graduated, B.D., in 1894.

Robert Forbes presided at the quarterly conference which licensed him to preach in 1883 at Duluth, Minnesota. He was received on trial in the Minnesota Annual Conference the following year. Bishop Merrill ordained him deacon in 1891, and Bishop Fowler ordained him elder in 1896.

He served eleven years in the Minnesota Conference, two years in the Newark Conference, two years in the Dakota Conference and twelve years in the Colorado Conference, serving pastorates in Duluth, St. Paul, Leadville and Denver. He was Conference Sunday School Missionary for the Colorado Conference six years. After taking the retired relation he preached one year for Hemphill Avenue Church, Atlanta, Georgia, and two years for the church in Pinebluff, North Carolina.

He was an earnest and interesting preacher and was at his best when working with young people. He was abundant in ministries of kindness.

He was married to Sarah Althea F. Parker in Duluth, Minnesota, in 1887. There is a son, Selby Carlyle Parker, of Buffalo, New York, and a daughter, Mrs. Lillian Frances Wallace, of Raleigh, North Carolina.

He suffered much during the last two years and looked forward to release. The end came at the home of his daughter in Raleigh, September 1, 1926. Mrs. Parker and other loved ones had ministered to him in every way that love could suggest. Rev. Dr. Stanbury, of the M. E. Church South, conducted the funeral service in the home. His favorite hymn, "O Love That Wilt Not Let Me Go," was sung just before the casket was taken to its final resting place.

There are many who love Brother Parker and who will not forget Mrs. Parker in her loneliness.

WILLIAM A. PARSONS.

To the Board of Pensions and Relief:

In view of the fact that during my period as a Conference Probationer and during part of my first year of full membership, I did not serve under appointment in pastoral work, I desire that my effective service in the ministry of the Methodist Episcopal Church be dated from June 1, 1924, instead of September, 1921.

5. When any member is about to speak in debate, or to deliver any matter to the Conference, he shall arise and respectfully address the President, but shall not proceed until recognized by him.

6. No member shall be interrupted when speaking, except by the President to call him to order when he departs from the question, or uses personalities or disrespectful language; but any member may call the attention of the President to the subject when he deems a speaker out of order, and any member may explain when he thinks himself misrepresented.

7. When a member desires to speak to a question of privilege he shall briefly state the question; but it shall not be in order for him to proceed until the President shall have decided it a privileged question.

8. No person shall speak more than twice on the same question, nor more than ten minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken; provided, however, that a Committee making a report shall, through its Chairman, or one of its members selected by the Committee or its Chairman, in all cases be entitled to ten minutes to close the debate; either to oppose the motion to lay the report on the table, or, this permission not having been used, to close the debate on the motion to adopt.

9. Resolutions shall be written and presented in duplicate by the mover. All motions shall be reduced to writing if the President, Secretary, or any member requests it.

10. All written motions, reports and communications to the Conference shall be passed to the Secretary, to be by him read to the Conference.

11. When a motion is made and seconded, or a resolution introduced or seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference.

12. The following motions shall be taken without debate:

- (1) To adjourn.
- (2) To suspend the rules.
- (3) To lay on the table.
- (4) To take from the table.
- (5) To raise the question of consideration.
- (6) Call for the previous question.
- (7) To reconsider a non-debatable motion.

13. No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection; but one or more of the following motions may be made, and they shall have precedence in the order in which they are given, namely:

- (1) To fix the time to which the Conference shall adjourn.
- (2) To adjourn.
- (3) To take a recess.
- (4) To lay on the table.
- (5) To order the previous question (cannot be laid on the table).
- (6) To postpone to a given time.
- (7) To refer.
- (8) To substitute.
- (9) To amend.
- (10) To postpone indefinitely.

14. Only one amendment to an amendment shall be in order, but then it shall be in order to move a substitute for the main question and one amendment to the substitute, and if a substitute is accepted it shall replace the original proposition.

15. It shall be in order to move the previous question—that is, that the question be taken without further debate—on any measure pending, except in

cases in which character is involved; and if sustained by a vote of two-thirds the question shall be taken; nevertheless, it shall be in order under this rule to move to refer or to recommit (on either of which the vote shall be taken without debate): to divide or to lay on the table, after the previous question has been ordered. It shall not be in order to move the previous question or to move to lay on the table at the close of a speech in which the pending question has been discussed.

16. The motion to adjourn shall be taken without debate, and shall **always** be in order, except

- (1) When a member has the floor.
- (2) When a question is actually put, or a vote is being taken, or until decided.
- (3) When the question is pending on sustaining the demand for the previous question.
- (4) When the previous question has been called and sustained, and action under it is still pending; and
- (5) When a motion to adjourn has been negatived; and no business or debate has intervened.

17. When any motion or resolution shall have been acted upon by the Conference, it shall be in order for any member who voted with the prevailing side to move a reconsideration; but a motion to reconsider a non-debatable motion shall be decided without debate.

18. Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reasons, excuses him. No member shall be allowed to vote on any question who is not within the bar at the time when such question shall be put by the President, except by leave of the Conference, when such member has been necessarily absent.

19. It shall be in order for any member to call for the ayes and noes on any question before the Conference, and if the call be sustained by forty members present, the vote thereon shall be taken by ayes and noes.

20. These rules may be suspended at any time by a vote of two-thirds of the members present and voting.
